SM and MBO invites to NEZ 2, DM 3 og SM 2

Once again – SM and MBO cooperates in effort to make a challenge in the NEZ-championship to satisfy the picky contestants:

Enjoy the beautiful nature in Eastern Zealand. Most of you will be presented for forests, maybe even lucky to see the beech just having burst into leaves – you might get a bit of dirt and one of the areas special, limestone: Very hard when dry and very slippery when wet, we (again) have used a lot of money in car washes.

But how much do you believe in our efforts? We have made you a little contest: Guess how many forests, we can let you drive in. We count in names of forests, meaning one area can have more than one name. We make a draw among the right entries, which you can make, when you sign up for the race and for the food at www.osport.dk.

The prize is 2 bottles of redwine donated by “Vinen og Druen” given to one team from Finland, one from Sweden and one from Denmark.

The following song you have heard over and over again: Our sport is totally dependent of the residents on the locations, where we can see some challenge in auto-navigation. So again we ask you to **drive carefully** on our stages, we would very much be able to get back for another race.

On behalf of the officials

Vagn and Erik.

Ny bil?

Husk at tjekke billånet lige så grundigt, som du tjekker bilen

Mange udbydere af billån tilbyder lave renter. Men hvis du regner på lånets samlede omkostninger, vil du ofte se, at den laveste rente ikke altid giver det billigste lån.

Husk derfor at tjekke lånets ÅOP – de årlige omkostninger i procent – der tager højde for lånets samlede omkostninger.

Se mere på jyskebank.dk/nybil. Eller kig ind og få regnet på billån til dit behov. Helt uforpligtende, naturligvis. Så kan du gå på biljagt med en god fornemmelse for, hvilken løsning der passer bedst til dig.
