Møns Bank løbet 26

Saturday, 25th. of april 2026

We thank you for participating in Møns Bank løbet 26.

We are very happy about the many positive comments at the meeting point. It is very encouraging, especially when the energy level is high after the many hours on race day and the many hours in the days and weeks leading up to the race 😊

On the raceday there were two protests:

Crew no. 101 protests against stage Vest, section 7,13-14. After driving the line sketch, we drive north east of the building, accuracy requirements not met.
The protest is accepted, protest fee is refunded. HRK N is exempted from penalty.
Premises: Line sketch does not overlap 20 m

Crew no. 805 protests against stage Syd, section 3.13. HRK Z is on road V of the ideal route.
The protest is rejected, protest fee forfeited.
Premises: When driving south at road X and at the bottom turn left. HRK Z is between road 2 and road 3 on the left.

On the raceday there were made changes by bulletins:
