NEZ 2. round 2014

NEZ
AUTO NAVIGATION
CHAMPIONSHIP

SM and MBO invites to "Faxe Kondi Sydbank-løbet"

Zealand is in geographical terms a very small island. But the nature is very diverse with the greatest hole in Europe for excavation of calcium – with its pure white surfaces and bright blue-green lakes - a lot of agriculture, a fair part of woods and not very long distance between villages, farms, cottages etc.

Though Zealand is a small island, where NEZ-events has taken place quite often (since the start of the 1980's), we have managed to find some areas, where we haven't arranged auto-navigation – other part of the sections will somebody probably recognize.

We have tried to "keep an eye on" to the difficulty of the route to meet the intentions of the NEZ-regulation, that means not as tough as an usual event in Danish Championship.

We have been very fortunate in our efforts to find locations for the route, so we strongly recommend you to show your appreciation to the residents - who makes an event like this possible – by fair (means sometimes slowly) driving 😊.

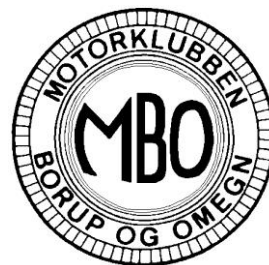

We hope you all will enjoy "Faxe Kondi Sydbank-løbet".
